NIVEL: C1/C2

IDIOMA: INGLÉS

FICHA DEL CANDIDATO

TEMA: EDUCACIÓN Y ESTUDIO

“Education must seek to train citizens, not employees. Apart from work skills, education should provide people with the ability to understand society.”

Fernando Savater

In your opinion...

- a) Does education today have a social projection rather than an individual projection?**
- b) To what extent can a good education system benefit society?**
- c) What can a good education system do for individuals?**
